

Spoonful for a Penny Brings Quick Relief

There is a scientific test has now proven what Dr. Caldwell's Syrup Pepsin does. It is a fact that constipation will slow you up fully 25 per cent. The test was made by Dr. Donaldson of Loma Linda up on four men in the prime of life who deliberately went without a bowel movement for four days. Within 48 hours the men had coated tongue and foul breath, cankers in the mouth, no appetite, restless sleep, nervousness, headache, depression, nervousness, cramps. The blood pressure was up 25 per cent. It is just this that Dr. Caldwell has brought to the public through the printed word ever since he began the practice of his specialty, diseases of the stomach, and bowels, back in 1875.

After observing for years the satisfactory effect of his prescription for constipation, he placed it in drug stores in 1892, a simple vegetable compound of Egyptian senna and pepsin with pleasant-tasting aromatics, now known as Dr. Caldwell's Syrup Pepsin. That was 30 years ago, and today over 10 million bottles are bought annually, the largest selling family laxative in the world. You will find it in any drug store you enter, a generous-size bottle costing you less than a cent a dose.

Every member of the family from the infants to the grand-parents can use it with safety. It is gentle and mild. The formula is on the package. Mrs. Roy Cook of Bellefontaine, O., has been giving it to her 5-month-old baby, who now weighs 19 pounds; and Mr. J. B. Dawson of Brinson, Ga., declares it the best laxative his family has ever found. Try a teaspoonful of Dr. Caldwell's Syrup Pepsin for constipation or any of its symptoms. The results will delight you. And the cost is only one cent a dose.

CLEVELAND PARK CLUB ORGANIZES WITH 100 MEMBERS

Plans Swimming Pool, Tennis Courts and Putting Green.

The Cleveland Park Club—a recreational and civic center for all residents of that section of the city—was organized last night with an enrollment of 100 members, meeting in the eight-room structure at Reno road and Thirty-third street northwest, the newly acquired clubhouse.

According to the plans announced at the meeting, a swimming pool, tennis courts and a putting green will be laid out on the 26,000 square feet of ground surrounding the clubhouse. Half of this ground was presented to the organizers of the club by William and Allison Miller, and will be accepted providing the membership reaches 200.

Cleveland Park residents who were members of a club started in that community two years ago, which failed shortly afterward, will be given preference in the new club. However, if they have not joined by December 1, they will lose this preference.

Temporary officers were elected as follows: President, Dr. George Sharp; vice president, Miss Agnes Miller; treasurer, Boyd Taylor; secretary, Dion S. Birney.

Those appointed to the organization committee were Mrs. William Brown, chairman; Allison Miller, Dr. Philip Smith, Samuel Herrick, Graham H. Powell and Dr. Arthur Spencer.

Canada is going in for croquet and is calling for manufacturers in the United States to supply its needs.

NEW FERENC MOLNAR PLAY REVEALED AT THE GARRICK

Sophie Tucker Headlines Program at B. F. Keith's Strong Variety Bill at Cosmos.

BY EARLE DORSEY.
At the imminent risk of being denounced as a blockhead, one hereby confesses utter inability to see in Ferenc Molnar's new play, "Fashion for Men," anything more than a magnificently mounted riddle, a superbly-staged enigma which displays, on the one hand, a technical skill of the highest quality and on the other, a theme—if it has one—of the utmost obscurity.

Nor does Mr. Molnar afford his audience a chance to blame this obscurity on its own ignorance. For two acts he indulges an authorial mood that literally staggers for a moment of clear resolution but inevitably, the third act curtain descends without that one single, illuminating flash of purpose.

Molnar may be perpetrating here a gigantic burlesque on theater symbolism. There is just as much reason to believe, though, that the play is merely sentimental drama with boulevard farce overtones. There is almost no excuse at all for thinking that Molnar's point is missed in the telling, for the play is vastly too accurately articulated to give much basis for such a theory.

It presents, for instance, in Hungarian locale, a shopkeeper so super-humanly forgiving and self-effacing that lacking Molnar's statement of purpose, he becomes, in retrospect, something of an ass. His wife elopes with his head clerk, admits the expropriation of his savings and receives his blessing for herself and lover on their departure for new fields.

Later on, in a new job, the hero falls in love with a girl who, while

PORT INSPECTORS LOSE BACK PAY SUIT

Thomas F. E. Ryan, an inspector at the port of New York, yesterday lost in Supreme Court his suit for additional pay at \$1 a day between 1910 and 1919. The decision holds for suit brought by eighty-four other inspectors.

Ryan and the eighty-four other inspectors were appointed at \$4 a day. They contended, in their suits, that the minimum pay for their positions under the law was \$5 a day.

Warm Days Cause Pear Tree to Bloom
The weather and the calendar seem determined to act out of harmony with one another. This will be another warm day, according to the official weather forecast, who predicts showers for tomorrow.

The warm weather of the past few days brought out four pear blossoms yesterday on a tree behind the house of Mrs. W. D. Weekley, 1510 Irving street northeast. Yesterday's lowest temperature was more than three points above the highest temperature recorded yesterday a year ago. The highest mark yesterday was 61.1 degrees, and the lowest 46.5. A year ago high was 42 and low 30.

Choral Society to Rehearse.
Members of the Motet Choral Society, under the leadership of Otto T. Simon, will meet at St. John's Parish Hall, Sixteenth and H streets northwest, tomorrow night for their first rehearsal of the year. The group, founded in 1910, and the summer camp for children will be the beneficiaries of the concert of the organization. The first program will be given early in January.

BORAH WINS FIGHT FOR PRIMARY LAW

Belated returns received here yesterday revealed that Senator Borah of Idaho won a complete victory in what was regarded as a fight for his political life.

Although not up for re-election this year, Borah was confronted with the necessity of gaining control of the legislature, and re-enacting the primary law, or going down to defeat at the hands of his enemies within the Republican party two years hence.

After a most spirited campaign it appears that primary advocates will have control of both houses of the Idaho legislature by more than two-thirds majority.

Negro Girl Badly Burned.

Washington Man Glad To Report

Retired Pinkerton Detective Suffered From Stomach Trouble, Bloating Feeling, Constipation and Nervousness.

GIVES DRECO CREDIT FOR HIS RELIEF

Washington people continue to call daily on the Dreco expert at his headquarters in the O'Donnell Drug Store and relate their experience with this new medicine which is causing such widespread interest since its recent introduction here.

Mr. William McIntyre, residing at Riverdale, just outside of Washington, who is a retired Pinkerton detective and well known in this city, said: "I am glad to report my experience with the new remedy, Dreco, for I was led to take this splendid medicine by reading some one's case in the paper."

"Before taking Dreco I was very nervous and laid awake hour after hour every night, then when morning came I'd drop off to sleep. My bowels were constipated so that I had to take medicine for them every night or I'd suffer next day."

"I believe my stomach caused most of my troubles, for my digestion was weak, and nearly everything disagreed with me. The gas was very distressing."

"The first bottle of Dreco benefited my troubles so I took more, and now I do not hesitate to say that I'm feeling better than for months; my bowels act regularly, sleep well all the night through and my digestion is so much improved that I never suffer from gas, sourness or bloating. Dreco is certainly a splendid medicine for these troubles."

To those persons who suffer from headaches, gastritis, nervousness, constipation, poor sleep, weak digestion, a deranged stomach or impure, slow-flowing blood, Dreco will prove a wonder to you. Try it today and see how quick the results will come.

A special representative from the Dreco Laboratory is located at O'Donnell's Drug Store, 604 9th St. N. W., to courteously explain the merits of this great remedy.

KEITH'S

VAUDEVILLE.
On beholding Sophie Tucker, one is inclined to think that Keith patrons are getting their Christmas tree ahead of time. Sophie is beaming, beaming, beaming until she looks like a box of tin ornaments. Presents she distributes in the form of a bunch of new songs of the tingly, shivery sort.

Best of Sophie's new jazz ditties is one about "Sam, the Sheik of Alabama," a "high brown" lady-killer, who, though only a valet to a horse in the daytime, is a regular boudoir coo in the evening. Also, Sophie tells why she's always broke in spite of her fabulous salary. Between the necessity for a few husbands, numbers of Paris gowns and a fleet of motors, it seems that Sophie simply doesn't know where to turn for the upkeep of her private yacht. Sparingly, she says, she has determined to deny herself husbands—that is, of her own. Back there we said that "Sam" was the best of Sophie's new songs. But, come to think of it, there couldn't be a much better song for the Tucker talent than "Do It." And Sophie "puts it over" three ways from the jack. Ted Shapiro and Jack Carroll do their noble best for Sophie. Sophie and the Shapiro-Morton and Dooley families, and they are growing up to be a credit to their folks. They aver that they are married and everything. We fear they are just "sounding." But if they really are wed, our money goes down 10 to 1 that Martha will be the champion of the flat.

Very frankly, George Rockwell and Al Fox admitted that they are about to suffer a hemorrhage of hokum. Nor was this any idle boast. They had hemorrhages of words, matrimonial fits and spasms of courtship, all of the most gruesome realistic order.

According to Yvette Rugel, the new songs are the old songs. She says that "Some Sunny Day" is the offspring of "Old Black Joe," "Stumbling" of "The Merry Widow," and so on. The pocket-size prima donna was in costume yesterday. Bobby McLean, champion skater, cut a dozen varieties of the pigeon wing and took a few risky jumps. Collins and Hart sport vivid red and blue whiskers, the which are just a new introduction to an act that makes the audience rub their eyes and think they're "seeing things." Zuhn and Dreis are "Demento Americanos" of the wilder type, who evidently give their idea of the kind of thing that goes on in a Parisian cafe. We'd never have dreamed it.

WAS A BROKEN-DOWN WOMAN

Then I Began Taking Lydia E. Pinkham's Medicine

Donaldsonville, La.—"I write with pleasure to praise your medicine—Lydia E. Pinkham's Vegetable Compound—which has done so much to restore my health. I was a broken-down woman until my husband brought me a bottle of your Vegetable Compound and one of Lydia E. Pinkham's Blood Medicine. I had been having pains every month and at intervals between, was weak and seemed to be smothering at times, but in a week I felt like another woman. I also used Lydia E. Pinkham's Sanative Wash. It did me a lot of good too. I cannot praise your medicines too much and will be more than glad to recommend them to any woman who is suffering from female troubles. You may print my testimonial, as it is true." Mrs. A. LANDRY, 612 Miss St., Donaldsonville, La.

Note Mrs. Landry's words—"as it is true." Every letter recommending Lydia E. Pinkham's Vegetable Compound is genuine. It is a statement telling the merits of these medicines just as the women in your own neighborhood tell each other.

COSMOS.

VAUDEVILLE.
One of its best bills is being offered at the Cosmos this week. The headline "Oh, You Sinner" is handsomely mounted and costumed and offers some pretty dancing by the Berg Sisters, a song or two well sung and some very laughable comedy by the blackface comedienne who is new to the business and who knows just how far to go to make enjoyable fun.

Zelda Santley, who acts as well as sings her songs with an air, is a method purely her own, is one of the best of her type that has ever appeared at the Cosmos. Her imitation, or rather own conception of the way Fanny Brice should sing "My Maiden a bit of dramatic art that merits both attention and praise. The four Miners, from the nearby coal fields, also are exceptionally good and happy men. Their episode, introducing the same time amusing little play, "Mrs. Murphy's Second Husband," which introduces a likable character sketch of Emmett, which won both laughter and applause at the performances yesterday.

Jean and Jacques open with a remarkable offering introducing original contortions acrobatics that are astonishing at times. The act throughout is unique and entertaining. Friend and Beeman, as "Two Unfriendly Friends," are laughable, their episode, introducing a letter from a wife to her husband.

The Seiznick picture featuring Owen Moore, "Love is an Awful Thing," while complex, and evidently over-padded, is nevertheless amusing. It shows what befell a young man much in love whose prospective father-in-law declared his daughter should not marry a man with a past. A film
